

THE COSTELLO SCHOOL

TEACHING AND LEARNING POLICY

Purpose

To create a Learning Culture in which all teachers are role models of effective learning and deliver high quality learning experiences so that all students can become independent, creative, innovative learners in an atmosphere of achievement, respect, and enjoyment.

Roles and Responsibilities

The Senior Leadership Team

- Design and oversee the implementation of an appropriate personalised curriculum to ensure all students can become effective learners and secure high levels of achievement.
- Monitor the effectiveness of the teaching and learning and use appropriate intervention strategies as required
- Ensure that all staff can develop as educators through an effective CPD programme

Subject Leaders

- Design and oversee the implementation of an appropriate curriculum
- Monitor the effectiveness of teaching and learning and use appropriate intervention strategies to support and develop subject teachers

All Teachers

- Ensure that the key concepts and processes of their subject are the main focus of learning
- Deliver high quality, varied and appropriate learning experiences to all students
- Provide information for parents/carers to be able to monitor the attainment and achievement of students

The Guidance Team

- Design and oversee the implementation of an appropriate programme of support and activities to develop students as effective learners

Tutors

- Deliver a programme of support and development activities to ensure that all students become effective learners

The following documents are issued separately and contain information and current procedures. Further guidance will also be produced in the future.

Appendix 1	Guidance
Appendix 2	Consistency in the classroom
Appendix 3	Monitoring
